

**Genetics Transfer Plan, College of Agriculture and Life Sciences
Equivalency with Eastern Iowa Community College District
Scott, Clinton, and Muscatine Community Colleges**

First Semester

Course Title (EICC)	EICC	ISU	Credits
English Composition I	ENG 105	ENGL 150	3
General Biology I	BIO 114	BIOL 211	3
General Biology I Lab		BIOL 211L	1
General Chemistry I	CHM 165 or 166*	CHEM 177	3-4
General Chemistry I Lab	*preferable	CHEM 177L	1
Fundamentals of Statistics	MAT 156	STAT 104	3
OR Calculus and Analytical Geometry I	MAT 210	MATH 165	<u>4</u>
			15-16

Second Semester

Course Title (EICC)	EICC	ISU	Credits
English Composition II	ENG 106	ENGL 250	3
General Biology II	BIO 115	BIOL 212	3
General Biology II Lab		BIOL 212L	1
General Chemistry II	CHM 175 or 176*	CHEM 178	3-4
General Chemistry II Lab	*preferable	CHEM 178L	1
Humanities or Social Science	See details below		3
OR Calculus and Analytical Geometry II	MAT 216	MATH 166	<u>4</u>
			15-16

Third Semester

Course Title (EICC)	EICC	ISU	Credits
Humanities or Social Science	See details below		3
College Physics I	PHY 162	PHYS 111	4
Organic Chemistry I	CHM 261 or 263	CHEM 331	3
Organic Chemistry I Lab		CHEM 331L or 333L	1-2
Principles of Speech	SPC 111, 112	SP CM 212	<u>2-3</u>
			14-15

Fourth Semester

Course Title (EICC)	EICC	ISU	Credits
Introduction to Ethics	PHI 105	PHIL 230	3
College Physics II	PHY 163	PHYS 112	4
Organic Chemistry II	CHM 271 or 273	CHEM 332	3
Organic Chemistry II Lab		CHEM 332L or 334L	1-2
International Perspective	See details below		<u>3</u>
			14-15

The Genetics major requires completion of two semesters **with labs** of each of the following sciences: **General Biology, General Chemistry, Organic Chemistry, and Physics**. At ISU, the labs are included in Phys 111/112 while the Biology and Chemistry labs are designated as "L". Two credit organic chemistry labs associated with CHM 263 and 273 transfer as Chem 333L and 334L which will be substituted for the one credit 331L and 332L required by the major. The Genetics major also requires completion of **either two semesters of Calculus and one semester of Statistics or two semesters of Statistics (one at the 300 level) and one semester of Calculus**. **Students should plan to take both semesters of any two-semester sequence of courses at the**

same institution because each institution distributes the course material differently between courses in a sequence. **Students taking Biology at EICC must take both BIO 114 and 115 to receive credits for Biology 211/L and 212/L.** When taken singly, the courses are not equivalent, however when taken as a series the courses are deemed equivalent to 211/212.

This transfer plan differs from what ISU Genetics majors typically take primarily in the following: Genetics and Molecular Cell Biology courses are taken during the third and fourth semesters and Physics I and II during the fifth and sixth semesters.

General Education Requirements

Typical courses that fulfill the College of Agriculture and Life Sciences requirements for Humanities, Social Sciences, Ethics and the University International Perspectives and US Diversity requirements are listed below. Other courses may apply; contact an advisor in Genetics at ISU or use the TRANSIT function on Iowa State's website: <https://transit.iastate.edu/> to check individual course equivalencies.

Humanities (need 1 course, 3 cr)

Courses from History such as EICC HIS 117, 151, 152

Courses from Humanities such as EICC HUM 105, 110

Courses from Literature such as EICC LIT 101, 105, 110, 111

Social Sciences (need 1 course, 3 cr)

Courses from Political Science such as EICC POL 111

Courses from Psychology such as EICC PSY 111, 121, 251

Courses from Sociology such as EICC SOC

Ethics (need 1 course, 3 cr)

Course from Philosophy such as EICC PHI 105

ISU International Perspectives requirement (need 1 course, 3 cr)

EICC Music MUS 100

EICC History HIS 117, 118, 119

ISU US Diversity requirement (need 1 course, 3 cr)

Sociology EICC SOC 115; Literature EICC LIT 105; Psychology EICC PSY 261

For a full list of EICC courses which transfer to ISU see the Iowa State University Admissions web page: <http://www.admissions.iastate.edu/equiv/iowa.php?type=transfer>

*This guide was developed to assist students planning to attend Iowa State University to major in Genetics in the College of Agriculture and Life Sciences. The equivalency table is based on the ISU 2019-20 Catalog and course equivalencies provided by the ISU Admissions office. Students should contact Dr. Lois Girton, Genetics advising coordinator (lgirton@iastate.edu or 515-294-0616), for more assistance. **Students should also plan to visit with an advisor in Genetics at ISU prior to beginning their second year of studies, or earlier.***
