

**Genetics Transfer Plan, College of Liberal Arts and Sciences
Equivalency with North Iowa Area Community College**

First Semester

Course Title (NIACC)	NIACC	ISU	Credits
Composition I	ENG 105	ENGL 150	3
Biology I	BIO 202	BIOL 211	3
Biology Lab		BIOL 211L	1
Chemistry Principles I	CHM 166	CHEM 177	4
Chemistry Principles I Lab		CHEM 177L	1
Introduction to Statistics	MAT 156	STAT 104	3
OR Analytic Geometry and Calculus I	MAT 210	MATH 165	<u>4</u>
			15-16

Second Semester

Course Title (NIACC)	NIACC	ISU	Credits
Composition II	ENG 106	ENGL 250	3
Biology II	BIO 203	BIOL 212	3
Biology Lab		BIOL 212L	1
Chemistry Principles II	CHM 176	CHEM 178	4
Chemistry Principles II Lab		CHEM 178L	1
Humanities or Social Science	See details below		3
OR Analytic Geometry and Calculus II	MAT 216	MATH 166	<u>4</u>
			15-16

Third Semester

Course Title (NIACC)	NIACC	ISU	Credits
Humanities	See details below		3
General Physics I	PHY 162	PHYS 111	4
Organic Chemistry I	CHM 263	CHEM 331	3
Organic Chemistry I Lab		CHEM 333L	2
Social Science	See details below		<u>3</u>
			15

Fourth Semester

Course Title (NIACC)	NIACC	ISU	Credits
Introduction to Ethics	PHI 105	PHIL 230	3
General Physics II	PHY 172	PHYS 112	4
Organic Chemistry II	CHM 273	CHEM 332	3
Organic Chemistry II Lab		CHEM 334L	2
International Perspective	See details below		<u>3</u>
			15

The Genetics major requires completion of two semesters **with labs** of each of the following sciences: **General Biology, General Chemistry, Organic Chemistry, and Physics**. At ISU, the labs are included in Phys 111/112 while the Biology and Chemistry labs are designated as "L". Two credit organic chemistry labs transfer as Chem 333L and 334L which will be substituted for the one credit 331L and 332L required by the major. The Genetics major also requires completion of **either two semesters of Calculus and one semester of Statistics or two semesters of Statistics (one at the 300 level) and one semester of Calculus**.

Students should plan to take both semesters of any two-semester sequence of courses at the same institution because each institution distributes the course material differently between courses in a sequence. **Students taking Biology NIACC must take both BIO 202 and 203 to**

receive credits for Biology 211/L and 212/L. When taken singly, the courses are not equivalent, however when taken as a series the courses are deemed equivalent to 211/212.

This transfer plan differs from what ISU Genetics majors typically take primarily in the following: Genetics and Molecular Cell Biology courses are taken during the third and fourth semesters and Physics I and II during the fifth and sixth semesters.

General Education Requirements

Typical courses that fulfill the College of Liberal Arts and Sciences requirements for Humanities and Social Sciences and the University International Perspectives and US Diversity requirements are listed below. Other courses may apply; contact an advisor in Genetics at ISU or use the TRANSIT function on Iowa State's website: <https://transit.iastate.edu/> to check individual course equivalencies.

Humanities (need 4 courses, 12 cr, including one Science/Humanities Bridge course, 3 cr)

Courses from History such as NIACC HIS 112, 113, 151, 152
NIACC EDU 235; LIT 101; PHI 101
Science/Humanities Bridge Course: NIACC PHI 105

Social Sciences (need 3 courses, 9 cr)

Courses from Political Science such as NIACC POL 111, 112
Courses from Psychology such as NIACC PSY 111, 121, 281
Courses from Sociology such as NIACC SOC 110, 115, 120

ISU International Perspectives requirement (need 1 course, 3 cr)

NIACC HIS 112, 113, MUS 100

ISU US Diversity (need 1 course, 3 cr)

Sociology NIACC SOC 115; Education EDU 235;

For a full list of NIACC courses which transfer to ISU see the Iowa State University Admissions web page: <http://www.admissions.iastate.edu/equiv/iowa.php?type=transfer>

*This guide was developed to assist students planning to attend Iowa State University to major in Genetics in the College of Liberal Arts and Sciences. The equivalency table is based on the ISU 2019-20 Catalog and course equivalencies provided by the ISU Admissions office. Students should contact Dr. Lois Girton, Genetics advising coordinator (lgirton@iastate.edu or 515-294-0616), for more assistance. **Students should also plan to visit with an advisor in Genetics at ISU prior to beginning their second year of studies, or earlier.***
